

# LNB Series – Nickel Plated Brass Lock Nuts

## Product Details:

- Material - Brass
- Finish - Nickel Plated Brass
- Characteristics - Threaded internal metric thread
- Applications - Suitable for use with all liquid tight conduit fittings with a metric conduit thread
- Ideal for securing a male threaded liquid tight fitting to a cable way, bulkhead or junction box

| Product Catalogue No. | Nominal Conduit Size (mm) | Internal Thread size (C) (mm) | Width (A) (mm) | Height (B) (mm) | Thickness (mm) | Maximum torque (Nm) |
|-----------------------|---------------------------|-------------------------------|----------------|-----------------|----------------|---------------------|
| LNB-12                | 12                        | M12 x 1.5                     | 16.0           | 19.0            | 4.0            | 15.0                |
| LNB-16                | 16                        | M16 x 1.5                     | 21.8           | 24.8            | 4.4            | 20.0                |
| LNB-20                | 20                        | M20 x 1.5                     | 25.5           | 29.1            | 4.4            | 25.0                |
| LNB-25                | 25                        | M25 x 1.5                     | 31.8           | 35.9            | 4.4            | 30.0                |
| LNB-32                | 32                        | M32 x 1.5                     | 42.3           | 47.9            | 4.4            | 35.0                |
| LNB-40                | 40                        | M40 x 1.5                     | 49.7           | 56.8            | 5.5            | 35.0                |
| LNB-50                | 50                        | M50 x 1.5                     | 59.6           | 65.8            | 5.5            | 40.0                |
| LNB-63                | 63                        | M63 x 1.5                     | 74.6           | 82.8            | 5.8            | 40.0                |

Note: Tolerance =  $\pm 5\%$  for all dimensions
